CWOBA Report: Matt Shortreed gave the CW report. Nothing much has changed in the bank account since last meeting. The Titans and the Golden Boys each owe \$500 in bond money from the Provincials in Pickering. Tournament sanctioning fees need to be paid to CW. There has been an issue with one of the referees over travel money to the Provincials. There is to be no extra money paid to individual referees as they are paid at the Tournament and then each Region shares equally the expenses of the referees. This matter still needs to be resolved. The registration sheets with the money is due either at the Palmerston Tournament or at the Qualifiers at the latest. If anyone has suggestions for rule changes they must be to the OBA by December 1st. Matt explained some of the proposed rule changes that might occur such as willing vs unwilling fights, using a small box on a penalty kill (blockade) and the use of a pick. Doug Galt, the Provincial Referee-in-Chief, needs to see at least one evaluation per referee by January 2015. Chad Kaye suggested that these should be on the "QT" to be more accurate. All junior players are to wear some form of padded gloves. Blue Ox brooms are deemed legal now. Al Walter has some Forest Ice shoes left. **Motion to accept-Tammy Mitchell *Seconded by-Melanie Denys Carried
